Bare's Roar

March 2019

President:

Each year, a few of our visitors will send us a note with their comments about their recent visit to our club. These are almost always complimentary and filled with recollections of favorite people and experiences that occurred during their stay. Their notes are always fun to read and give us important feedback about positive aspects of our clubs' amenities and members.

It's extremely rare, however, to have an opportunity to take a step back and have a fresh comprehensive look at our club and members in some depth. The Boise State Radio visit last July and subsequent podcast about Bare Mountain provided us with a welcome fresh perspective on our club grounds, our members, and our rules and values. It is especially impressive to me that this young couple was able to gather in one afternoon the sense of community, friendship and trust the members have with each other. Not to mention all the fun in the pool playing volleyball!

As we get ready to begin a new season on Bare Mountain, I want to thank you for helping make visitors like these feel welcome and at ease with a new group of strangers and a new social experience. Based on the Boise State podcast, I would say you all deserve an A+!

Please take extra care as we all get ready to return to Bare Mountain this spring. See you soon.

Race To Robie Creek:

Brant and Rita will be coordinating the Robie Creek Race on April 20 on the mountain. Please let Brant know if you plan on helping and your size by March 20th so he can order T Shirts. They will need you at 7:30 on the 20th. Contact Brant at iceme40@hotmail.com or 208 999-1830

Activities:

Still looking for anyone to let Tami and Lisa would like you to email them any dates you would like to support the club by sponsoring a dinner or activity. Please watch for the Activity Flash for which shows what activities are already planned in 2019. Set it up now so the calendar is easier to plan your time on the mountain. Boise County Emergency Management email:

I'm sad to have to report yet another structure fire in Boise County. Horseshoe Bend Fire was called out to a structure fire with multiple occupants. When firefighters arrived on scene there were many occupants running around frantically making it impossible to assess injuries. The occupants were using a heat lamp that was their only source of heat which is what probably caused the fire. They are now without shelter or heat. It doesn't appear that there were any fatalities in the fire as owners said they believe all of the chickens made it out. The owners will be eating scrambled eggs for the next few days. Please share to remind chicken owners to check out their coops.

Camp:

Still can't get in and we just had 4 inches in Boise February 20 and still snowing!!!!!! I'll bet everyone in California or Arizona have a smile on your face. Typical Idaho weather slick roads in am but clear in the pm.
