

# BARE MOUNTAIN ROAD<sub>1</sub>

July 2020

## **From the President:**

I am so thankful that the Board and all of the Members have responded so well to the challenges we have seen this year. I think we all know now how difficult it can be to remember social distance and to ensure we keep surfaces and hands clean and sanitized. Touching our faces is a hard habit to break. I believe members can also appreciate the slow and measured changes to our club guidelines this spring. They have been slowly adjusted to allow some of our more normal behavior, while still following state guidelines. We can only hope that it won't be necessary to take a step backwards. I think we can thank these club guidelines and the cooperation of our members for keeping us all safe so far.

One thing we know, everything will continue to change through this pandemic. Please stay abreast of the latest club guidelines as they are adjusted so that we can all work together to keep Bare Mountain safe and sound.

## **Land**

A lot of projects going on at the mountain: Larry is working on the west gate which has new opener and gate; Jim L & Jay J have been working for 2 weeks on our new clubhouse deck, they would like to thank Gail, John, Christian, and Joan for jumping in when they could help; Ken H reworked the roads, made the parking, brought up supplies for the deck and now working on Russ and Kathy's water problem. ## **Pool**

The pool is open and warm and here is a reminder of pool rules:

**Pool area** is limited to 50 people.

If you have been around the pool for a period of time, let someone else use your chair or lounge after you clean the cleaners provided.

**Pool** will be limited to 10 people, which does allow for 5 per team if playing volleyball.

Remember some people just want to swim or lounge in the pool for a half hour too. Of course we are all hoping for NO more raining weekends so we can fire up the fixed pool for use!

## **Activites**

We would like to let our members know that the first activity of the year will be the 4th of July.
