

BARE MOUNTAIN ROAR

April 2021

From the President

Every spring seems to bring some sort of a challenge for the club and the members. Last year, the Covid 19 virus provided us with a new set of challenges to work through. And with the cooperation of the members and their guests, we seem to have found a way to minimize that threat and have a successful season after all. This year, 'Ole Man Winter' is doing its best to spoil our fun. The snowfall this winter was heavier than usual and some drifts still remain in the shady areas. So although we may be running a week or two later than normal, we know warm weather is just around the corner. By April 10th, I am hopeful we will all be that much more eager to pitch in with needle raking, lot cleanup and some spring cleaning for the clubhouse and cabins. And by mid-April, we anticipate that excavation of the pool area can begin.

By continuing to apply what we have learned about Covid precautions, we can all look forward to a season much like those we have so fondly remembered and enjoyed in the recent past.

See you all soon!

Ron W

Mama Bare says

- Renew your RV registration
- Sharpen your rakes the needles await
- See your dermatologist
- Get ready for a great summer

The following pictures show some of the snow on the mountain. With the current warm wonderful sunshine the snow is disappearing fast.

Thank you to Pat T and his new toy for taking care to get the snow at the gates.
