

BARE MOUNTAIN ROAR

August 2021

2021-2022 Season is the 40th Anniversary for Bare Mountain

President Note

Last year, 2020, Bare Mountain Retreat managed to thrive in spite of the Covid pandemic. Work projects and infrastructure maintenance were all completed. Many various fun activities were enjoyed by the members throughout the season. We also enjoyed a skinny dip and a water volleyball tournament. And, thankfully, those members who did contract Covid have all recovered.

I think we might all agree that this year feels even better so far. While still cautious, our life here at Bare Mountain feels like the old normal. For me, the return of visitors and guests is a delight. I enjoy meeting and getting to know these like-minded friends. I always like learning about their lives and interests. We have always been known as a friendly, welcoming club. I hope we all will take advantage of each opportunity we have to meet and welcome these new guests. After all, some of these people may become members and first impressions mean so much.

Curious Question

When they put up the new sign stating State 1 Fire Restrictions in place, I wondered what that meant. I googled and if your curious also this website for Idaho has good information.
