Notes from the Nudes Nest:

6/30/18, The most beautiful place I have ever hiked to!

7/14/18, A beautiful evening. Soft breeze, beautiful sunset, and awesome company. Life is good!!! Burt

The new board was sworn in at our General Membership meeting held on January 20, 2024. It was held online and most of the new board were gathered in Texas while a couple more were in Quartzsite, all enjoying the warm winters find down south. We had quite a few of the members sign in from Idaho, where they have been enjoying a warmer than normal winter.

A big **thank you** goes out to our previous board members for their hard work that they have performed in our favor for the past two years. Brent, Donna, Cherie, Eric and Christian – thank you for all of your efforts on our behalf.

Notes from the Nudes Nest:

7/29/17 Awesome job! Nice view and peaceful. Al and Lori

8/1/17 6am hike, beautiful, quiet, great view, thanks, Michal

In the previous ROAR (November-December 2023) it was again suggested that we needed additional items. pledged for our cabins. *NO pledges were received at all.* All of the sheets and one of the bedspreads were either purchased and delivered to the mountain or were pledged and we will get them in April. We received cash/check donations that will be used to purchase the needed a/c unit. We are still in need of two rugs for each cabin, each 5x7, plus one comforter.

To PLEDGE to replace one or more of the old or broken parts ***by May 1st*** please email me NOW at baremtnsecretary@gmail.com **to pledge to buy and get the item(S) that you sign up for to the Mtn in time for our visitors arrival next Spring by May 1<sup>st</sup>.** REMEMBER PLEASE THAT THE COLOR TONES OF THE CABIN ARE BROWNS, TANS, AND SOFTER GREENS AND GREYS. It has been suggested that we have two 5x7 rugs in each cabin so the rug at the bottom and side of the bed reach under the table (for **easier cleaning**).

**The following is still needed If you would rather PLEDGE a cash donation let me know.**

**I pledge to donate:**

- Cabin 1 One 5'x 7' rug: \_\_\_\_\_ \*\*
- Cabin 1 One 5'x 7' rug: \_\_\_\_\_ \*\*
- Cabin 2 One 5'x 7' rug: \_\_\_\_\_ \*\*
- Cabin 2 One 5'x 7' rug: \_\_\_\_\_ \*\*
- One Queen sized comforter (with matching shams) \_\_\_\_\_

Remember please, that at this point it is a pledge. No one is at the mountain to receive your donation. Those that choose to donate a rug really need to wait to see what the comforter will look like in order to color co-ordinate it. And those that donate the rugs will need to co-ordinate color and design with one other person, so each cabin has TWO 5x7 matching rugs.

Pledge now, and we will send you a photo of the comforters that have been donated as soon as possible so you can match the rug to the room.

Thank you for your generosity.

Trouble in river city and they spell it P-O-O-L (some will get that). Apparently Coy made a trip up to the Mtn to check on things and became concerned about the pool. I'm not sure if Coy knew that we had installed 2 pillows but anyway Coy called Ron W. Ron called Josh and Josh called me. So Josh drove all the way from Emmett to Sonja's place in Boise and then he and I drove up to take a look.

From the photo attached you can see that one of the two pillows has shifted from the center of the pool to the SW. The water (rain/snow melt) that has accumulated in the pool since it was covered is frozen solid and there was no way for us to reposition the pillow. Josh wasn't too concerned but we both agreed that next fall we'll have 4 pillows installed to help alleviate the stress on the pool. Pillows run around \$20 each so no reason not to double the number.

9/2/17, My first mountain hiking experience nude. A beautiful and amazing experience. Thank you, Bill and Mary

9/9/17, It is beautiful up here! Thanks to those who made this possible. Richard,

7/22/17. This is amazing! Thank you! Scott and Natalee

Christian and Sonja drove up to the Mt today (January 2, 2024) to just look around. Little snow and mild temperatures made for a pleasant visit. It appears to be a repeat of the last couple years with mild fall/ early winter weather then wet and cold late springs.

I've attached a few pictures from today's visit. We ran into Rick while there and he's doing well. There are apples still on the trees!

Wishing everyone a happy new year!
